Grabbing red envelopes has been hogging the limelight in our daily life since the 2016 Spring Festival.At no point is it clearer that this activity has endowed our vapid life with the flavor of high-tech and fun,especially giving traditions typical of festive periods,such as the Chinese New Year and Chinese Valentine's Day,a facelift.

However,some people may be trapped in a situation where they put the cart before the horse.Disappointingly,what some people do on festivals is not to communicate with their relatives and friends but to hold their cell phones and fix their eyes on the screen all day long,just in order to grab red envelopes.For my part,what really matters is the relationship instead of the money.Essentially speaking, gifting red envelopes is beyond reproach.Only in a rational way shall we not be reduced to slaves of materialism or hijacked by the high technology.

Festivals offer precious opportunities for us to send good wishes to our beloved ones and what we should do is to cherish these chances rather than to ignore the essential connotation of the festivals.Anyhow,kinship,friendship and other relationships are above anything and we ought to make every endeavor lest the profound cultural atmosphere of traditional festivals should decline.

【译文】自 2016 年春节以来，抢红包已经成为我们日常生活的焦点。再清楚不过的是，这种活动为我们枯燥的生活增添了高科技和乐趣，尤其是让传统节日(如中国新年和七夕情人节)焕然一新。然而，有些人可能会陷入本末倒置的境地。令人失望的是，有些人在节日里做的不是和他们的亲戚朋友交流，而是整天拿着手机，盯着屏幕，只是为了抢红包。对我来说，真正重要的是关系而不是钱。从本质上讲，发红包是无可非议的。只有以理性的方式，我们才不会沦为物质主义的奴隶或被高科技劫持。

节日为我们向亲人送上祝福提供了宝贵的机会，我们应该做的是珍惜这些机会，而不是忽视节日的本质内涵。无论如何，亲情、友情和其他关系高于一切，我们应该尽一切努力，以免传统节日的深厚文化氛围下降。
